Response ID	Response
98404115	I haven't attended any recent meetings.
98400880	The Lawn Bowling meeting was the best one so far because it shows how we can enjoy using what Chandor already has, rather than to worry about how much money it would take to do something else! Everyone can participate in something so simple. It was great fun. Why not do it again every year in Spring, before the days get hot?

How can we improve our meetings? (Please provide comments)

Response ID	Response
98404115	I don't have enough information to make a recommendation.
98400880	1. Don't keep talking about money 2. Don't keep talking about kids 3. Do start "hands On" projects where members make their own fun, such as making holiday decorations that can be donated, sold, or "auctioned" to benefit the gardens. 4. Create an amateur hour for and by Friends; it can be silly and fun!
98379539	I've never attended a meeting

98352208	No suggestions

Response ID	Response
98351558	I don't know
98351037	shorter and make more decisions.
98350421	Don't know- have not been able to attend
98350382	I wish I had an answer.

98313999	I think the meetings are just fine.
98305065	Haven't attended meetings
98303617	Although I stated that 11:30 was a good time, I find it awkward to eat when someone is speaking. Perhaps we could meet, greet and eat, then have the speaker and meeting.
98303083	I will send in a list of our ideas soon

Response ID	Response
98300383	I would like to see a “Meet and Greet “ time at the beginning of every meeting. I think it would be extremely good for new members. I have noticed that they are not recognized. This makes it difficult for current FOCG members to say “Hello “ and glad you are here.
98300233	I can't say since I have not been able to attend your meetings in the past.
98292149	Less talking, more printed handouts if extra info is needed.
98291544	I enjoy them as they are.

98400880	People need to feel that they are appreciated. People need to have fun. Adults need to play games, too. like croquet, or even bean-bag toss in order to enjoy each others company Try a secret gift exchange in December's meeting (nothing over \$5. to get folkds into the spirit of the season; People love things like that!

98352208	Leadership does a great job!
98351037	With all the new growth here, we need fresh minds, when we lost our last gardener to another town, (he was great) , it has seemed stagnant. i told some out of town garden clubs to come, they weren't aware of it, and loved it.
98350421	Have not been a member long enough to form any opinions
98350382	I assume this means leaders of the Friends. It would be how to engage the membership in its activities, and assist with the broader goals of the Foundation.

Response ID	Response
98343632	??
98305065	No opinion
98303617	The leaders that I have witnessed to date have done a remarkable job. The leaders should remain friendly and open.
98303083	Some of the music group selections are not of interest to us
98300383	Having surveys like this to keep communication open between FOCG members and the Leadership Team.
98292149	More communication between the City of Weatherford staff at Chandor to the Foundation and the members. Making a calendar of ALL Chandor events available online for date reservations (not necessarily names but "wedding" "closed for construction" etc.) Emphasis on putting a decent office entrance in for efficient interaction between the staff and the public, gift shop, and keeping track of visitors.
98291544	We tend to stay in our own little groups at meetings. need icebreakers at beginning of meetings to make us inter-mingle
98291110	More of a business strategy approach (ROI) to promote the Gardens along with the Event Center.
98290986	Good communication with the foundation board and city parks department.
98290578	I cannot receive group gmails or from individual accounts usually. Ann Geer has to forward me or text me the info

Response ID	Response
98289682	I think that we all lead such busy lives and just because there may not be a huge number of attendees at the meetings or events, doesn't mean there's no interest. Sometimes, other things crop up that interfere with a planned meeting or event.
98289553	Not only is communication sparse but it IA also not timely. A few days notice about an event is not good for busy people with calendars that fill up quickly
98289188	To provide a way for new members to get to know others. Perhaps a new member orientation or mixer along with other members.
98285742	Leaders need to try to continuously seek input from the Friends membership to insure that the organization is doing all possible to support the goals and the vision of the Chandor Gardens Foundation.
98284413	Wait for survey from friends
98283561	Your doing a good job

Would you like to share additional thoughts with us? (Please provide comments/suggestions)

98400880	YES! you can hold a "costume party" and give a prize for "best" 1. Fort worth Nature Reserve is a great place for a wilderness- walk and to learn more about the plants and animal all around us. 2. Play Charades where Friends pay to participate in the game 3. Hold a Holiday sing-along where everyone gets a chance to sine old and new songs, print copies of common holiday songs and pass them out 4. Begin Birthday Greetings where the birthday of each and every member of the Friends is marked by the sending out of a real card, not email and a small note saying how much the group value each person. This would require everyone to become better acquainted with everyone else!! 5. Dance class followed by a dance withlive music. Square dande or Line dance for example!
